### **Curriculum Vitae**

**Education** B.Arch (Kansas City U); (Santa Chiara Study Center, Castiglion Fiorentino, Italy)

**Nationality and birth** USA

Chris brings extensive design and planning experience to a wide variety of project scales and budgets. He has a background in construction and this knowledge is an asset when it comes to working with owners, consultants, and contractors. He brings innovative design experience, attention to detail and a strong technical skill set to every project. Chris's accomplishments have been recognized by the commercial journal Kansas City / KC Home Design Awards and GSA Design Awards.
